Notes

1 Evidence of Coverage (EOC):

The Evidence of Coverage (EOC) describes the Benefits, limitations, and exclusions that apply to coverage under this Plan. Please review the EOC for more details of coverage outlined in this Summary of Benefits. You can request a copy of the EOC at any time.

Capitalized terms are defined in the EOC. Refer to the EOC for an explanation of the terms used in this Summary of Benefits.

2 Calendar Year Deductible (CYD):

Calendar Year Deductible explained. A Calendar Year Deductible is the amount you pay each Calendar Year before Blue Shield pays for Covered Benefits under the Plan.

If this Plan has any Calendar Year Deductible(s), Covered Benefits subject to that Deductible are identified with a check mark (✔) in the Benefits chart above.

3 Using Participating Providers:

Participating Providers have a contract to provide health care services to Members. When you receive Covered Benefits from a Participating Provider, you are only responsible for the Copayment or Coinsurance, once any Calendar Year Deductible has been met.

4 Calendar Year Out-of-Pocket Maximum (OOPM):

Calendar Year Out-of-Pocket Maximum explained. The Out-of-Pocket Maximum is the most you are required to pay for Covered Benefits in a Calendar Year. Once you reach your Out-of-Pocket Maximum, Blue Shield will pay 100% of the Allowed Charges for Covered Benefits for the rest of the Calendar Year.

Your payment after you reach the Calendar Year OOPM. You will continue to pay all charges for services that are not covered, charges above the Allowed Charges, and charges for services above any Benefit maximum.

Any Deductibles count towards the OOPM. Any amounts you pay that count towards the Calendar Year medical Deductible also count towards the Calendar Year Out-of-Pocket Maximum.

Family coverage has an individual OOPM within the Family OOPM. This means that the OOPM will be met for an individual with Family coverage who meets the individual OOPM prior to the Family meeting the Family OOPM within a Calendar Year.

5 Separate Member Payments When Multiple Covered Benefits are Received:

Each time you receive multiple Covered Benefits, you might have separate payments (Copayment or Coinsurance) for each service. When this happens, you may be responsible for multiple Copayments or Coinsurance. For example, you may owe an office visit payment in addition to an allergy serum payment when you visit the doctor for an allergy shot.

Notes

6 Preventive Health Services:

If you only receive Preventive Health Services during a Physician office visit, there is no Copayment or Coinsurance for the visit. If you receive both Preventive Health Services and other Covered Benefits during the Physician office visit, you may have a Copayment or Coinsurance for the visit.

Plans may be modified to ensure compliance with State and Federal requirements.

1 Calendar Year Pharmacy Deductible (CYPD):

Calendar Year Pharmacy Deductible explained. A Calendar Year Pharmacy Deductible is the amount you pay each Calendar Year before Blue Shield pays for outpatient prescription Drugs under this Benefit.

If this Benefit has a Calendar Year Pharmacy Deductible, outpatient prescription Drugs subject to the Deductible are identified with a check mark (✔) in the Benefits chart above.

If your Physician or Health Care Provider does not indicate that a Generic Drug equivalent or Biosimilar Drug should not be substituted, you may request a Medical Necessity Review. If approved, the Brand Drug will be covered at the applicable Drug tier Copayment or Coinsurance.

See the Obtaining outpatient prescription Drugs at a Participating Pharmacy section for more information about how a brand contraceptive may be covered without a Copayment or Coinsurance.
